

## **MOTION OF SUPPORT TO MALI**

The Conference,

Having been informed by the Malian Minister in charge of tourism about the negative impact that the security crisis prevailing in northern Mali is having on tourism activities,

Aware of the commitment of the Government to develop tourism products in the centre, West and South of the country with a view to allowing Mali to regain its place in world tourism,

Convinced that tourism can contribute to the well-being of local communities and to reviving the activities of the private sector,

Provides its unwavering support to the Government in its policy to boost tourism in Mali in general, and in the Centre, South and West regions in particular.
