

Tourism Statistics Standards – Domestic Tourism

**Dita Virse, Tourism statistics
CENTRAL STATISTICAL BUREAU OF LATVIA**

2-5th of December 2008, Statistics Austria - Vienna

Domestic Tourism – developments since Workshop I

- Expenditures will be available in detail for domestic travelers since 2009 (changes in questionnaire).
- Definition of usual environment updated with real life examples to ensure better understanding for interviewers.
- Ongoing discussions that substantial part of domestic trips are lost because of our definition “usual environment” and the administrative borders.

Domestic Tourism – developments planned since Workshop I

- We will switch our concept from districts to rural municipalities regarding “crossing of administrative borders” if the Reform will be introduced in Latvia.
