

Outbound Tourism

The Ministry of Tourism, Culture, Youth and Sports in accordance with the Ministry of Interior have an ongoing project to restructure the border control. New administrative questions will be added, with the main purpose of travel being the first change to happen on the outbound part of the border control.

- It is composed of these variables;
- Purpose
- Age
- Gender
- Country of Destination
- Overnights

This will be applied to all Albanian travelers who are leaving the country.

Trainings

- The 1st part of the project is to set up staff trainings for each border checkpoint
- To facilitate border control procedures
