DOMESTIC TOURISM IN TANZANIA
Present Status

- The flow of domestic tourism in Tanzania is well depicted in the controlled areas. In these controlled areas both Domestic and Foreign visitors are required to register themselves at the entry/exit points.

- Controlled areas includes:-
  1. National Parks
  2. Game reserves
  3. Historical sites
  4. Museums

- Domestic visitors crossing administrative borders and visiting non controlled areas such as beaches; are not captured in our system of measuring the flow of domestic visitors.

- Therefore, it is possible to measure the flow of domestic visitors in controlled areas only.
Present status ....contd

- We have not developed a mechanism to capture domestic visitors in non-controlled areas

- No survey has been conducted to capture expenditure data on domestic visitors
