Contents

1. Domestic visitor statistics
2. Outbound tourism statistics
3. Inbound tourism statistics
1. Information flow of domestic visitors

- Concepts and definition: followed the UNWTO standards
- Coverage: nation wide
- Frequently: monthly
- Agency involved:
  - Ministry of Tourism: number of arrival
  - National Statistics Office: Expenditure/quarterly
- Purposed:
  - Ministry of Tourism: flow of visitors
  - National Statistics Office: value added for hotel and restaurant
2. **Data collection constraint**

- Concepts and definition: not clear definition
- Coverage: based on report from transport companies and sites visited
- Frequently: monthly
- Expenditure information:
  - No sampling frame
  - Hard to get detail information
  - Small samples

3. **New initiative**

- Concepts and definition: training for data collectors
- Coverage: expanded coverage
