

# DOMESTIC TOURISM STATISTICS

Prepared by:

- Fiji Islands Bureau of Statistics (FIBOS)**
- Ministry of Tourism**

## PRESENT INFORMATION AVAILABLE

- **Fiji is a small island country and we have sufficient data to estimate domestic tourism statistics.**
- **To make things easier there would be special surveys conducted to come up with domestic tourism data.**
- **The 2002 TSA report was compiled using these surveys.**
- **Household Income and Expenditure Survey results on expenditure were used in our previous report to cater for the expenditure data of domestic visitors.**

## CONSTRAINTS

Fiji Islands Bureau  
of Statistics

- **Data sources provide consolidated data on domestic and international tourism, thus indicators are used to split the data.**
- **Budget allocation withdrawn for the TSA project by the Government.**

## NEW INITIATIVES

Fiji Islands Bureau  
of Statistics

- **Qualitative questions to be asked to major hotels for breakdowns**
- **Liaison with the national carrier in progress to conduct survey on domestic travelers**
