

DOT Data Gathering Activities:

✓ Compilation of Data from Arrival / Departure (A/D) Cards

❖ *Data Compiled*

- Volume of outbound Philippine residents by:
 - Nationality
 - Purpose of travel
 - Sex
 - Age group
 - Port of disembarkation

Outbound Tourism
DOT OI/PRIM

DOT Data Gathering Activities:

✓ Compilation of Data from Arrival / Departure (A/D) Cards

❖ *Limitations:*

- It is the only data gathering method for outbound tourism data in the Philippines
- Limited data sourced from the cards. No data on outbound expenditure
- Lack of resources

Outbound Tourism
DOT OI/PRIM

1. Inter-institutional cooperation

a. NSO – Rider Survey: Household Survey on Domestic Visitors 2010 (HSDV 2010) – inclusion data on outbound

❖ *Major Outbound Tourism Data Included in the new HSDV*

- Volume of Residents traveling abroad
- Country/ies visited/length of stay
- Month of travel
- Average Expenditure
- Purpose
- Others

Outbound Tourism
DOT OIPRIM

1. Inter-institutional cooperation

b. Inter-Agency Committee on Shared Government Information System for Migration (IAC-SGISM) – Republic Act No. 8042

- ❖ *Sharing of databases of identified indicators among member agencies of Filipinos going out and/or residing outside the Philippines*

Outbound Tourism
DOT OIPRIM

2. Improvement of the Arrival – Departure Card

- ❖ To generate data on the actual length of stay, matching of arrival and departure cards is introduced.
