

Community Development and Tourism

Country Presentations

Introduction

- Thank you for your professional time
- The aim of this programme is to deepen understanding of:
 - Community development and tourism; and
 - Tourism recovery
- Sharing of examples and experience from each country

Focal Areas

- How tourism supports changes in the development and recovery of local communities
- The role of tourism policy in development and tourism recovery
- How to empower people in the communities and provide them with the necessary skills
- Creating effective partnerships across all stakeholders

Country presentations

- This session will be run as a panel discussion with each country's presenter on stage for the duration of the session.
- There will be three presenters who will be invited to the stage and introduced and will have 10 minutes to present their country's example of the session topic.
- The three presentations will follow one another and there will be a general question and answer session following the three presentations.
- This format will be repeated for each of the presentation sets.
