

Community Development and Tourism Recovery

Please use this template as a guide for your country presentation. Duration: 10 mins each country member. For support, you can contact rbasiuk@gmail.com or asiapacificprojects@gmail.com

Template for Tourism Recovery – “Country”

9th UNWTO Asia/Pacific Executive Training
Program on Community Development and
Tourism Recovery, Bohol
28 April to 1 May 2015

1. What are the main socio-economic and natural disaster risks to tourism development in your country?

- Examples of socio-economic risks are civil unrest, kidnapping, hostage taking, disease, economic downturn, etc.
- Examples of natural disaster risks are typhoons, storm surges, flooding, earthquakes, tsunamis, volcanic eruptions, etc.

2. What planning resources do you have to prepare for a crisis?

- Examples of resources include human, financial, political and institutional

3. Do you have a crisis management plan?
Using one example, illustrate how your country managed a recent adverse event in terms of:

- Actual crisis management
- Recovery planning
- Communications and marketing
- Resourcing
- Implementation
- Monitoring and evaluation

4. What insights can you share regarding the handling of the crisis?
What recommendations can you give to manage future crisis situations?

- Insights
- Recommendations

Thank You
