A world map with a light gray background. The landmasses are white. Sixty small red dots are placed on the map to represent cities. The dots are distributed across all major continents: North America (USA, Canada), South America (Brazil, Argentina, Chile), Europe (UK, France, Germany, Italy, Spain, etc.), Africa (North, Central, South), Asia (India, China, Japan, etc.), and Australia. There is a higher density of dots in Europe and North America.

A group of four people are seated around a table outdoors at night, toasting with wine glasses. The table is set with a blue and white patterned tablecloth, white flowers in vases, and dark plates with silverware. String lights hang above the table, and a large window with a grid pattern is visible in the background. The scene is warmly lit, creating a cozy atmosphere.
