 **Pruvo** is an AI based solution for post-booking
hotel price optimization for travel companies

Doron Nadivi | doron@pruvo.com | www.pruvoai.com | +506 8324-2176

As seen on

NBC

The New York Times

EL PAÍS

Even though it is well known that hotel prices tend to drop **AFTER** reservations are made

Most travel companies **do not** re-shop their hotel reservations after they were made

One solution, **multiple** benefits

Profit Optimization
